## 10 Essential Features of Tier 2

At Tier 2, schools provide small group, standardized academic, social, emotional, and behavioral supports using validated intervention programs.

5. Provided **in addition** to Tier 1 core programming.

5. Group size as designed by developer, but typically **3–7 students.**

6. Increased **family involvement** and communication relative to Tier 1.

5. Regular **monitoring of progress** (i.e., monthly, weekly).

7. **Increased practice and feedback** on targeted skills relative to Tier 1.

9. Frequency and duration of sessions, and **length of intervention defined by developer.**
